

Food Additive Product Catalog / 食品添加剂产品目录

Customer-facing product selection reference | Updated 2026-06-12

Food additive catalog for formulation reference. Usage limits and target-market rules must be checked before use.

Total Products / 产品数量: 234

COA, specification, packing, sample availability, price and market suitability should be confirmed before ordering. No medical or disease claims are made in this catalog.

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
1	Acesulfame Potassium	安赛蜜	Upon request	Sweetener	Market Candidate / Packing available on request
2	Acetic Acid	乙酸	64-19-7	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
3	Acetylated Distarch Adipate	乙酰化二淀粉己二酸酯	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
4	Adipic Acid Granular	颗粒己二酸	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
5	Agar	琼脂	Upon request	Gelling agent	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
6	Allulose	阿洛酮糖	551-68-8	Sweetener; market and regulatory review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
7	Allura Red AC	诱惑红AC	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
8	Ammonium Alginate	海藻酸铵	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
9	Ammonium Bicarbonate	碳酸氢铵	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
10	Ammonium Chloride	氯化铵	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
11	Ammonium Sulfate	硫酸铵	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
12	Annatto Extract	胭脂树橙提取物	Upon request	Natural color	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
13	Aspartame	阿斯巴甜	22839-47-0	99.5%	Powder / Packing available on request
14	Aspartame Acesulfame Salt	阿斯巴甜安赛蜜盐	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
15	BHA Butylated Hydroxyanisole	BHA丁基羟基茴香醚	Upon request	Antioxidant; usage-limit review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
16	BHT Butylated Hydroxytoluene	BHT二丁基羟基甲苯	Upon request	Antioxidant; usage-limit review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
17	Beeswax	蜂蜡	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
18	Beet Root Powder	甜菜根粉	Upon request	Natural color	Market Candidate / Packing available on request
19	Beta Apo 8 Carotenal	β-阿朴-8'-胡萝卜醛	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
20	Brilliant Blue FCF	亮蓝FCF	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
21	Brown Rice Syrup Solids	糙米糖浆固形物	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
22	Buffered Vinegar Powder	缓冲醋粉	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
23	Calcium Acetate	乙酸钙	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
24	Calcium Alginate	海藻酸钙	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
25	Calcium Carbonate	碳酸钙	471-34-1	Mineral salt / fortifier	Market Candidate / Packing available on request
26	Calcium Carbonate Color	碳酸钙色素	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
27	Calcium Chloride Food Grade	食品级氯化钙	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
28	Calcium Disodium EDTA	乙二胺四乙酸二钠钙	Upon request	Sequestrant; usage-limit review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
29	Calcium Fumarate	富马酸钙	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
30	Calcium Gluconate	葡萄糖酸钙	299-28-5	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
31	Calcium Hydroxide	氢氧化钙	1305-62-0	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
32	Calcium Lactate	乳酸钙	Upon request	Mineral salt / firming agent	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
33	Calcium Propionate	丙酸钙	Upon request	Preservative	Market Candidate / Packing available on request
34	Calcium Silicate	硅酸钙	Upon request	Anti-caking agent	Market Candidate / Packing available on request
35	Calcium Stearate	硬脂酸钙	1592-23-0	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
36	Calcium Stearoyl Lactylate	硬脂酰乳酸钙	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
37	Calcium Sulfate	硫酸钙	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
38	Calcium Tartrate	酒石酸钙	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
39	Candelilla Wax	小烛树蜡	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
40	Canthaxanthin	角黄素	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
41	Caramel Color	焦糖色	Upon request	Color; class review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
42	Carbon Dioxide Food Grade	食品级二氧化碳	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
43	Carboxymethylcellulose	羧甲基纤维素	Upon request	CMC; stabilizer / thickener	Market Candidate / Packing available on request
44	Carmine	胭脂虫红	1390-65-4	Color; allergen/source review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
45	Carnauba Wax	巴西棕榈蜡	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
46	Carrageenan	卡拉胶	Upon request	Stabilizer / thickener	Market Candidate / Packing available on request
47	Cassia Gum	决明胶	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
48	Cellulose Gum	纤维素胶	Upon request	Stabilizer / thickener	Market Candidate / Packing available on request
49	Chlorine Dioxide	二氧化氯	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
50	Chlorophyll	叶绿素	Upon request	Natural color	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
51	Citral	柠檬醛	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
52	Citric Acid	柠檬酸	77-92-9	Acid / pH regulator	Market Candidate / Packing available on request
53	Cream of Tartar	酒石酸氢钾	Upon request	Leavening / acidulant	Market Candidate / Packing available on request
54	Cultured Dextrose	发酵葡萄糖	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
55	Cultured Wheat	发酵小麦	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
56	Curdlan	可得然胶	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
57	D-Allulose Syrup	D-阿洛酮糖浆	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
58	Datam	单双甘油脂肪酸酯的二乙酰酒石酸酯	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
59	Dextran	葡聚糖	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
60	Dextrose Monohydrate	一水葡萄糖	5996-10-1	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
61	Diammonium Phosphate	磷酸二铵	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
62	Dimethyl Dicarboxylate	二甲基二碳酸盐	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
63	Dimethyl Polysiloxane	二甲基聚硅氧烷	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
64	Dipotassium Phosphate	磷酸二钾	7758-11-4	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
65	Disodium Guanylate	呈味核苷酸二钠	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
66	Disodium Inosinate	肌苷酸二钠	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
67	Disodium Phosphate	磷酸二钠	7558-79-4	Buffer / emulsifying salt	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
68	Enzyme Modified Stevia	酶改性甜菊糖	Upon request	Specification available on request	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
69	Epsilon Polylysine	ε-聚赖氨酸	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
70	Erythorbic Acid	异抗坏血酸	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
71	Erythritol	赤藓糖醇	149-32-6	Sweetener / sugar alcohol	Market Candidate / Packing available on request
72	Erythrosine	赤藓红	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
73	Ethyl Cellulose	乙基纤维素	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
74	Ethyl Maltol	乙基麦芽酚	4940-11-8	Flavor enhancer	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
75	Ethyl Vanillin	乙基香兰素	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
76	Ferrous Gluconate	葡萄糖酸亚铁	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
77	Ferrous Sulfate	硫酸亚铁	Upon request	Mineral fortifier	Market Candidate / Packing available on request
78	Fructose Crystalline	结晶果糖	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
79	Fruit and Vegetable Juice Color	果蔬汁色素	Upon request	Natural color	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
80	Fumaric Acid	富马酸	110-17-8	Acidulant	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
81	Gellan Gum	结冷胶	Upon request	Gelling agent	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
82	Gluconic Acid	葡萄糖酸	526-95-4	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
83	Glucono Delta Lactone	葡萄糖酸内酯	Upon request	Acidulant / coagulant	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
84	Glucose Syrup Solids	葡萄糖浆固形物	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
85	Glycerol	甘油	56-81-5	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
86	Guar Gum	瓜尔胶	Upon request	Stabilizer / thickener	Market Candidate / Packing available on request
87	Gum Arabic Spray Dried	喷雾干燥阿拉伯胶	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
88	Hydrochloric Acid Food Grade	食品级盐酸	7647-01-0	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
89	Hydroxypropyl Distarch Phosphate	羟丙基二淀粉磷酸酯	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
90	Hydroxypropyl Methylcellulose	羟丙基甲基纤维素	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
91	I+G Flavor Enhancer	I+G增味剂	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
92	Indigo Carmine	靛蓝胭脂红	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
93	Iron Oxide Food Color	食品级氧化铁色素	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
94	Isomalt	异麦芽酮糖醇	64519-82-0	Sweetener / polyol	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
95	Isomalto-Oligosaccharide	低聚异麦芽糖	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
96	Konjac Gum	魔芋胶	Upon request	Thickener / gelling agent	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
97	Lactic Acid	乳酸	50-21-5	Acid / pH regulator	Market Candidate / Packing available on request
98	Lactitol	乳糖醇	585-86-4	Sweetener / polyol	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
99	Lecithin Liquid	液体卵磷脂	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
100	Lecithin Powder	卵磷脂粉	Upon request	Emulsifier	Market Candidate / Packing available on request
101	Limonene	柠檬烯	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
102	Locust Bean Gum	槐豆胶	Upon request	Thickener / stabilizer	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
103	Lycopene	番茄红素	Upon request	Natural color / nutrient	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
104	Lysozyme Food Grade	食品级溶菌酶	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
105	Magnesium Carbonate	碳酸镁	Upon request	Anti-caking agent	Market Candidate / Packing available on request
106	Magnesium Oxide	氧化镁	1309-48-4	Mineral salt / fortifier	Market Candidate / Packing available on request
107	Magnesium Phosphate	磷酸镁	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
108	Magnesium Stearate	硬脂酸镁	557-04-0	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
109	Malic Acid	苹果酸	6915-15-7	Acid / pH regulator	Market Candidate / Packing available on request
110	Malic Acid DL	DL-苹果酸	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
111	Malic Acid L	L-苹果酸	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
112	Maltitol	麦芽糖醇	585-88-6	Sweetener / polyol	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
113	Maltodextrin	麦芽糊精	Upon request	Carrier / flavor enhancer context	Market Candidate / Packing available on request
114	Maltodextrin DE10	麦芽糊精DE10	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
115	Maltodextrin DE18	麦芽糊精DE18	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
116	Mannitol	甘露醇	69-65-8	Sweetener / polyol	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
117	Menthol Crystal	薄荷脑晶体	89-78-1	Flavoring ingredient	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
118	Microcrystalline Cellulose	微晶纤维素	9004-34-6	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
119	Mixed Carotenoids	混合类胡萝卜素	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
120	Modified Food Starch	变性食品淀粉	Upon request	Thickener / stabilizer	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
121	Monk Fruit Sweetener Blend	罗汉果甜味剂复配	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
122	Mono- and Diglycerides	单、双甘油脂肪酸酯	Upon request	Emulsifier	Market Candidate / Packing available on request
123	Monoammonium Phosphate	磷酸一铵	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
124	Monocalcium Phosphate	磷酸一钙	Upon request	Leavening agent	Market Candidate / Packing available on request
125	Monopotassium Phosphate	磷酸一钾	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
126	Monosodium Glutamate	味精	Upon request	MSG; flavor enhancer	Market Candidate / Packing available on request
127	Natamycin	纳他霉素	7681-93-8	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
128	Natural Lemon Flavor	天然柠檬香精	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
129	Natural Mint Flavor	天然薄荷香精	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
130	Natural Orange Flavor	天然橙味香精	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
131	Natural Vanilla Flavor	天然香草香精	Upon request	Flavor	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
132	Neotame	纽甜	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
133	Nisin	乳酸链球菌素	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
134	Nitrogen Gas	氮气	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
135	Ozone Processing Aid	臭氧加工助剂	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
136	Paprika Oleoresin	辣椒红油树脂	Upon request	Natural color	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
137	Pectin	果胶	9000-69-5	Gelling agent / stabilizer	Market Candidate / Packing available on request
138	Phosphoric Acid	磷酸	7664-38-2	Acid / pH regulator	Market Candidate / Packing available on request
139	Polydextrose	聚葡萄糖	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
140	Polylysine	聚赖氨酸	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
141	Polysorbate 60	聚山梨酯60	Upon request	Emulsifier	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
142	Polysorbate 80	聚山梨酯80	Upon request	Emulsifier	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
143	Polyvinylpyrrolidone	交联聚维酮	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
144	Polyvinylpyrrolidone	聚维酮	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
145	Potassium Acetate	乙酸钾	127-08-2	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
146	Potassium Alginate	海藻酸钾	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
147	Potassium Carbonate	碳酸钾	584-08-7	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
148	Potassium Chloride Food Grade	食品级氯化钾	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
149	Potassium Citrate	柠檬酸钾	Upon request	Buffer / acidity regulator	Market Candidate / Packing available on request
150	Potassium Gluconate	葡萄糖酸钾	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
151	Potassium Hydroxide Food Grade	食品级氢氧化钾	1310-58-3	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
152	Potassium Lactate	乳酸钾	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
153	Potassium Malate	苹果酸钾	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
154	Potassium Metabisulfite	焦亚硫酸钾	16731-55-8	Preservative; sulfite risk review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
155	Potassium Phosphate	磷酸钾	Upon request	Buffer / mineral salt	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
156	Potassium Sodium Tartrate	酒石酸钾钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
157	Potassium Sorbate	山梨酸钾	24634-61-5	Preservative	Market Candidate / Packing available on request
158	Potassium Tartrate	酒石酸钾	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
159	Potassium Tripolyphosphate	三聚磷酸钾	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
160	Pregelatinized Starch	预糊化淀粉	Upon request	Excipient / thickener	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
161	Propylene Glycol	丙二醇	57-55-6	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
162	Propylene Glycol Alginate	海藻酸丙二醇酯	Upon request	Stabilizer / thickener	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
163	Propylene Glycol Ester	丙二醇酯	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
164	Pullulan	普鲁兰多糖	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
165	Quillaia Extract	皂树提取物	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
166	Riboflavin Color	核黄素色素	Upon request	Natural color	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
167	Rosemary Extract Powder	迷迭香提取物粉	Upon request	Antioxidant	Market Candidate / Packing available on request
168	Rosemary Oleoresin	迷迭香油树脂	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
169	Shellac	虫胶	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
170	Silica Gel Food Grade	食品级硅胶	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
171	Silicon Dioxide	二氧化硅	Upon request	Anti-caking agent	Market Candidate / Packing available on request
172	Silicone Antifoam	有机硅消泡剂	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
173	Soapbark Extract	皂树皮提取物	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
174	Sodium Acetate	乙酸钠	127-09-3	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
175	Sodium Acid Pyrophosphate	酸式焦磷酸盐钠	Upon request	Leavening agent	Market Candidate / Packing available on request
176	Sodium Alginate	海藻酸钠	9005-38-3	Stabilizer / thickener	Market Candidate / Packing available on request
177	Sodium Benzoate	苯甲酸钠	532-32-1	99.5%	Powder / Packing available on request
178	Sodium Bicarbonate	碳酸氢钠	144-55-8	Leavening agent	Market Candidate / Packing available on request
179	Sodium Carbonate	碳酸钠	497-19-8	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
180	Sodium Carboxymethyl Starch	羧甲基淀粉钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
181	Sodium Chloride Food Grade	食品级氯化钠	7647-14-5	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
182	Sodium Citrate	柠檬酸钠	6132-04-3	Buffer / acidity regulator	Market Candidate / Packing available on request
183	Sodium Diacetate	双乙酸钠	Upon request	Preservative / acidulant	Market Candidate / Packing available on request
184	Sodium Erythorbate	异抗坏血酸钠	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
185	Sodium Fumarate	富马酸钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
186	Sodium Gluconate	葡萄糖酸钠	527-07-1	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
187	Sodium Hexametaphosphate	六偏磷酸钠	Upon request	Sequestrant / phosphate; usage-limit review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
188	Sodium Hydroxide Food Grade	食品级氢氧化钠	1310-73-2	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
189	Sodium Lactate	乳酸钠	Upon request	Preservative / humectant	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
190	Sodium Malate	苹果酸钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
191	Sodium Metabisulfite	焦亚硫酸钠	7681-57-4	Preservative; sulfite risk review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
192	Sodium Nitrate	硝酸钠	7631-99-4	Curing agent; high risk usage-limit review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
193	Sodium Nitrite	亚硝酸钠	7632-00-0	Curing agent; high risk usage-limit review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
194	Sodium Polyacrylate Food Grade	食品级聚丙烯酸钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
195	Sodium Propionate	丙酸钠	Upon request	Preservative	Market Candidate / Packing available on request
196	Sodium Pyrophosphate	焦磷酸钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
197	Sodium Stearoyl Lactylate	硬脂酰乳酸钠	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
198	Sodium Succinate	琥珀酸钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
199	Sodium Tartrate	酒石酸钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
200	Sodium Tripolyphosphate	三聚磷酸钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
201	Sorbitan Monostearate	山梨醇酐单硬脂酸酯	Upon request	Emulsifier	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
202	Sorbitol	山梨糖醇	50-70-4	Sweetener / humectant	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
203	Soy Lecithin	大豆卵磷脂	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
204	Stearic Acid	硬脂酸	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
205	Stevia Extract	甜菊糖苷	Upon request	Sweetener	Market Candidate / Packing available on request
206	Stevia Extract Rebaudioside M	甜菊糖苷Reb M	Upon request	Rebaudioside M 95%; pending verification	Powder / Packing available on request
207	Stevia Reb A	甜菊糖苷Reb A	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
208	Stevia Reb M	甜菊糖苷Reb M	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
209	Succinic Acid	琥珀酸	110-15-6	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
210	Sucralose	三氯蔗糖	56038-13-2	99.5%	Powder / Packing available on request
211	Sucrose Acetate Isobutyrate	蔗糖乙酸异丁酸酯	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
212	Sucrose Esters of Fatty Acids	蔗糖脂肪酸酯	Upon request	Emulsifier	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
213	Sunflower Lecithin	葵花卵磷脂	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
214	Sunset Yellow FCF	日落黄FCF	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
215	TBHQ	特丁基对苯二酚	1948-33-0	Antioxidant; usage-limit review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
216	Tamarind Seed Gum	罗望子胶	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
217	Tara Gum	塔拉胶	Upon request	Thickener / stabilizer	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
218	Tartaric Acid	酒石酸	Upon request	Acid / pH regulator	Market Candidate / Packing available on request
219	Tartaric Acid Granular	颗粒酒石酸	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
220	Tartrazine	柠檬黄	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
221	Tetrasodium Pyrophosphate	焦磷酸四钠	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
222	Thaumatococin	索马甜	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
223	Titanium Dioxide	二氧化钛	13463-67-7	Color; high regulatory risk review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
224	Titanium Dioxide Replacement Blend	二氧化钛替代复配	Upon request	Specification available on request	Powder / granule / liquid / oil / solution / finished dosage / packaging component as applicable / 1kg bag; 5kg carton; 25kg drum; retail bottle/blister/sachet/jar/stick pack as applicable
225	Tocopherols	生育酚	Upon request	Vitamin E antioxidant	Market Candidate / Packing available on request
226	Trehalose	海藻糖	99-20-7	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
227	Triacetin	三乙酸甘油酯	Upon request	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
228	Tricalcium Phosphate	磷酸三钙	Upon request	Anti-caking agent / mineral	Market Candidate / Packing available on request
229	Trisodium Phosphate	磷酸三钠	7601-54-9	Buffer / emulsifying salt; usage-limit review	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable

No.	English Name	中文名称	CAS	Specification / 规格	Form / Packing
230	Vanillin	香兰素	121-33-5	Specification available on request	Powder / granule / oil / liquid / solution / finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; bottle/blister/sachet/jar/stick pack as applicable
231	Xanthan Gum	黄原胶	Upon request	Stabilizer / thickener	Market Candidate / Packing available on request
232	Xylitol	木糖醇	87-99-0	Sweetener / sugar alcohol	Market Candidate / Packing available on request
233	Yeast Extract	酵母抽提物	Upon request	Flavor enhancer	Powder / Oil / Solution / Finished dosage form, as applicable / 1kg foil bag; 5kg carton; 25kg drum; retail bottle/blister/sachet as applicable
234	Zinc Gluconate	葡萄糖酸锌	4468-02-4	Mineral salt / fortifier	Market Candidate / Packing available on request
